***The average auto wreck case takes approximately 6-8 months to settle from the date of the accident

#1

Get the medical attention that you need following the crash or fall

#2

WE will begin gathering evidence and contact the insurance company on your behalf

#3

WE will keep in contact with you during your treatment and YOU inform us when you have been released from treatment

#4

WE will begin gathering evidence and medical records and bills for your case

#5

WE will send a complete demand package to the insurance company on your behalf

#6

Within 30 days*, the insurance company decides whether to make you an offer and begin negotiations

#7

During negotiations, YOU will decide whether to accept the offer or to file a lawsuit

It is our goal to get you the **HIGHEST** settlement possible.
